

Legacy Pledge Form

If you have left a legacy to LIFE it is not, of course, essential that you tell us but it helps us enormously to plan for the future – a future you are making possible.

Please fill in the form below and post it to:

LIFE House, 1 Mill Street, Leamington Spa, CV31 1ES.

Thank you!

Make a pledge to LIFE

I want my legacy to be children to whom I have given the gift of life, mothers who are able to give their children a better start in life, young people who value themselves and their relationships and couples conceiving without the waste of life perpetrated by IVF all in a society that has the utmost respect for human life from fertilisation (conception) until natural death.
