

Dear Learner,

Welcome to our accredited NCFE and CACHE Level 2 Counselling Skills Qualification, brought to you by Pregnancy Matters™ Online

As a charity working with counselling and skilled listening needs, we put a high value on training our team. In joining us on our qualification you will be accessing the professionalism that our clients receive from our service.

Over the next coming weeks, you will be supported by our training team and tutors to get you on your way to completing your counselling skills qualification, to use in your current role or for a new career path or gaining more experience by becoming a volunteer with our Pregnancy Matters™ Online service.

Thank you for choosing our program and I hope your journey with us will get you on your chosen pathway when you receive your Level 2 certificate in counselling skills.

Yours Sincerely

Stephen Sharpe
