

COVID-19 notice

26 March 2020

The Pregnancy Matters™ Online training team will endeavour to continue the NCFE and CACHE Level 2 Counselling Skills qualification as normal during COVID-19 through our **Distant Learning** option. No face-to-face contact is necessary in this option.

Learners will continue to receive access to the Learner Zone to complete and submit their work.

If there are any changes that will affect the running of the Online Learner Platform, the training team will give all learners notice of the changes in a reasonable timeframe.

Best wishes,

The training team
