

Job Description

Title: Health & Safety and Compliance Coordinator

Accountable to: Director of Housing, People and Compliance

Key working relationships:

Internal:
Director of Finance, All Department Heads, Safeguarding Department Representatives (SDR'S), Housing, Retail and Outreach Centre staff.
External:
Health and Safety Executive (HSE), UK government Agency, The Growth Company Trusted Standard Quality Assessors, Agencies, Support Organisations, Landlords Contractors and The Charity Commission.

Location: Life National Office, Leamington Spa
Mix of office and home working, along with some travel to locations around the UK.

Contract Type: Permanent

Working hours & Salary: 35 hours per week: £30,000 – 35,000pa (depending on experience)

Benefits: 25 days holiday plus bank holidays (pro-rotas for part time contracts) Pension Scheme, Flexible working arrangements, Birthday leave after 2 years' service. Paid mileage for travel to locations other than base location.

Main purposes of the job:

To ensure Life's services are being delivered to the required high standards, through a continuous cycle of review of our activities and processes.

Within this role you will provide assurance that Life's activities and processes meet both internal required quality standards, as well as any relevant legislative and regulatory obligations. This is a wonderful opportunity for someone who really wants to drive improvement into our Charity and to act as a primary catalyst for change.

You will promote a culture of continuous improvement amongst the staff and volunteer teams, co-developing and implementing KPIs for quality and compliance operations.

As Health and Safety and Compliance Manager you will oversee the Health and Safety, Premises/Compliance Management and Policy management across the charity.

Reporting to the Director of Housing, People and Compliance, you will work with key individuals to ensure compliance with health and safety practices through managing the recording systems and reporting on performance analysis to assist the Charity in meeting their legal compliance requirements.

You will drive a positive Health and safety culture within Life ensuring that any legislation changes are communicated and adopted throughout the charity.

You will manage the Charity's property portfolio in relation to compliance, maintenance, contracts, and services. In addition to this you will manage the acquisition, disposal and renegotiation of leases and management contracts, in conjunction with relevant managers and/or department heads.

You will monitor, maintain, and manage Life's property portfolio ensuring our premises are safe, secure, well maintained and aligned with relevant current legislation.

You will be responsible for ensuring our external compliance partner meets its obligation in completing all safety and compliance checks, including but not limited to Gas Safety, Fire Safety, Legionella and Asbestos across the Charity's Housing, Helpline services and Retail stock. You will be required to maintain records of checks and works required and completed, and regularly review performance and return on investment for these services.

You will oversee the Policy Management infrastructure to ensure policies are developed and reviewed in a timely and effective manner, ensuring policy holders are up to date with current legislation and practices.

Key achievement areas:

Health and Safety:

- You will have proven ability to interpret regulations and convert into sound, practical policies and guidance and have the ability to write well, accurately, and clearly, including report writing
- You will ensure compliance with Risk Management for Health and Safety and provide sector relevant advice to all areas of the Charity
- You will lead on Health and Safety projects and conduct monitoring activities, identify areas of improvement, and create monitoring reports

- You will conduct audits, visits, investigations, and compliance monitoring
- You will be responsible for Liaising with external bodies such as the Health & Safety Executive (HSE) and Trusted Charity as required
- Lead the Health & Safety Committee with representatives from each department

Premises Management:

- You will work alongside the Housing, Helpline Services and Retail teams to ensure premises audits are conducted, all works are identified, reported and completed in a timely manner and ensuring the quality standards are maintained within Life's property portfolio
- You will oversee and manage repairs, maintenance and contracts for the Life's National Office ensuring it is maintained to a high quality
- You will instruct contractors/suppliers to carry out compliance related works as required in our premises and address and identify remedial works
- You will oversee and maintain a file of all works undertaken by third party contractors to include all relevant documents required
- You will develop, implement and manage a system to ensure all works are carried out in a timely, cost effective and efficient manner
- You will liaise with landlords and manage all the Charity's commissioning and decommissioning of properties where appropriate in conjunction with the appropriate manager and in line with budgets
- You will review, monitor and negotiate contracts across the charity to ensure best value for money, performance standards and contractual needs
- Work with the Finance Director to ensure the organisation's insurance policies are adequate and up to date
- Support department heads to plan cyclical maintenance works in line with annual budgets

Internal Policy Management

- You will ensure that the policy manual is kept up to date with a comprehensive set of policies relating to areas of responsibility required by law, workplace practices, performance, values and behaviour, compliance, and accountability

Personal responsibilities:

- The post holder must assume responsibility for their own professional and personal development (supported by Life where appropriate) to ensure their continuing competence to deliver Life's requirements
- A key component of development is being fully aware of regulatory and legal requirements impacting on operational services and ensuring that all staff within those services are aware of and deliver their individual responsibilities

Safeguarding Children & Adults at Risk of Harm:

- Safeguarding is everyone's responsibility, and all employees are required to act in such a way that at all times safeguards the health and wellbeing of children and adults at harm of risk
- Familiarisation with, and adherence to, the appropriate organisational Safeguarding policies and any associated guidance is an essential requirement of all employees as is participation in related mandatory/statutory training
- All employees must ensure that they understand and act in accordance with this clause. If you do not understand exactly how this clause relates to you personally, then you must seek clarification from your immediate line manager as a matter of urgency
- Equally, all managers have a responsibility to ensure that their team members understand their individual responsibilities with regards to Safeguarding Children and Adults at Harm of Risk

Corporate behaviours:

All staff are expected to:

- Work towards the charity's aims and objectives, and uphold its vision and mission
- Operate in line with our core workplace values which are:
 - Humanity – All people are special and equal
 - Solidarity – We are with you and for you

- Community – We are better together
 - Charity – Doing good for one another
 - Common Good – Building a better world
- Demonstrate respect for others and value diversity
 - Act responsibly regarding the health and safety of themselves and others
 - Focus on the client and customer, both internally and externally, at all times
 - Make an active contribution to develop the service
 - Learn from, and share experience and knowledge
 - Keep others informed of issues of importance and relevance
 - Consciously review mistakes and successes to improve performance
 - Act as an ambassador for the charity and always maintain professional standards
 - Use discretion and sensitivity and be aware of issues requiring total customer confidentiality
 - Demonstrate a flexible approach to their work
 - Abide by and take responsibility for the obtaining, storage, processing and sharing of any personal data within the meaning of the General Data Protection Regulations 2018 and as defined in the relevant Life policies for all aspects of service delivery and working practice, paying particular attention to the protection of personal information in any form and by whatever means it is accessed by you.

In addition, all managers and supervisors will be expected to:

- Value and recognise ideas and the contribution of all team members
- Coach individuals to perform to the best of their ability
- Delegate work to develop individuals in their roles and realise their potential
- Provide support, feedback and guidance to all team members and encourage their team to achieve work/personal life balance

This job description is not necessarily an exhaustive list of duties but is intended to reflect a range of duties the post holder will perform. The job description will be reviewed regularly and may be changed in consultation with the post holder.
